

## WARM UP

A Work with a partner and discuss the following questions.

- 1 Where do you usually go on vacation?
- 2 Do you like traveling alone or with your family / friends?
- 3 Think about your last travel experience:
  - a Where did you go?
  - b What was the most important thing you remember about that trip?

## VOCABULARY compound adjectives

### Boost Box

To create compound adjectives, we often use a hyphen (-). This helps us understand that two words are part of the same adjective.  
e.g.  
*two-seater car*  
*15-page document*

A Match the words below to their synonyms.
