

Banana Pancake Train

Please help complete the flow chart of making banana pancake

1. Peel the banana first, and peel it into small pieces	2. Squeeze it into a puree with a fork	3. Add two eggs and mix well	4. Pour the stirred banana paste into the pot
5. Keep the fire low and fry for about 2-3 minutes	6. Observe that the edge is slightly lifted up, and a little white smoke is emitted 	7. You can turn it over and fry for another minute	8. Finally add honey, the delicious pancake is complete
