

# Alone

by Alan Walker

Lost in your mind  
I ..... know  
Am I losing ..... mind?  
..... let me go

If this night is not .....  
At least we are together  
I know I'm not alone  
I know I'm not alone  
Anywhere, whenever  
Apart, but still .....  
I know I'm not alone x4

Unconscious mind  
I'm wide awake  
Wanna feel one last .....  
..... my pain away

wanna

forever

never

time

my

take

together
