Hi there,

I'm 16 years old and I love dancing. I have dance lessons once a week. In the evenings after school, I like to relax. I read or listen to music in my *bedroom*. I enjoy it because I don't share my bedroom with my little brother.

At the weekend, I like going out with my friends. We often go to the cinema or go out for a pizza. We always go to Antonio's because the pizza there is cheaper and more delicious.

This week I had three exams. I had to study a lot because I wanted to get good marks

Last month I bought a new tablet. It's fantastic! I downloaded lots of apps. What's your favorite App? Why?

Please write to me.

Rosa

Dear Brett

Thanks for your email. You do lots of sports at school in Canada. I'd love to play ice hockey one day.

We do lots of sports at our school too. We've got a swimming pool at school and our class go swimming every Wednesday. We also play tennis, volleyball and football, but football in Australia is different to soccer. You can touch the ball with your hands!
