

English Worksheet

Learning Objectives:

Students are able to use and apply **COMPARATIVE ADJECTIVES** to compare two things identifying short and long adjectives; describe and compare places.

GRAMMAR: Comparative Adjectives

Adjectives with **one syllable**: add '-er' or '-r'

- cold – colder
- nice – nicer

"In Canada, winter is **colder than** summer."

Adjectives with **two or more syllables**: add 'more'

- honest – more honest
- expensive – more expensive

"Milk is **more expensive than** water."

Adjectives with **two syllables** – that **end in 'y'**: change 'y' to 'i' and add '-er'

- early – earlier
- happy – happier

"I arrived at school **earlier than** my classmates."

Adjectives that end with a **vowel** and a **consonant**, double the final letter.

- big - bigger
- hot – hotter

"Brazil is **bigger than** Singapore."

Note: Be careful to spell "than" correctly. Don't misspell "than" (correct) and write "then" (incorrect).
