

Unit 2 Writing

A. Read and answer the questions below.

Harry's Blog My favourite wild animals are seals. They live in oceans. They're quite big and long. They're funny and smart. They swim quickly but move slowly on land. Seals can be dangerous. They eat fish. Most seals are gray but some are white. Gray seals are bigger than white seals. They live all over the world from the polar regions to tropical areas. I like seals very much!	Harry's blog  
1. What are Harry's favorite wild animals ?	
2. Where do they live ?	
3. Are they dangerous ?	
4. What do they eat?	
5. What color are they ?
