

## Measurement

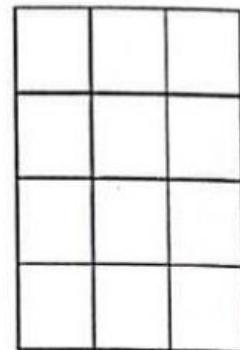

Work out the area of the following rectangles.

1)

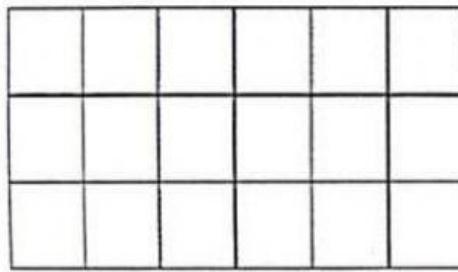

$$\text{Area} = \underline{\hspace{2cm}} \text{ square cm}$$

2)

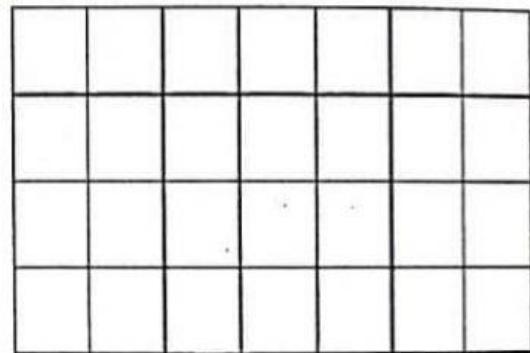

$$\text{Area} = \underline{\hspace{2cm}} \text{ square cm}$$

3)

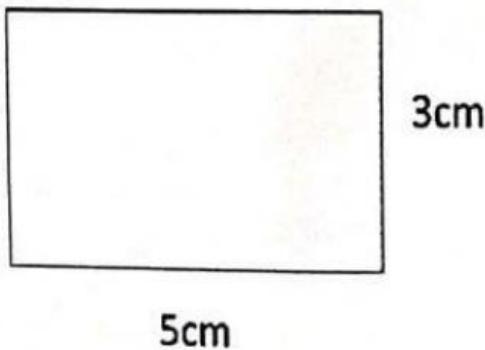

$$\text{Area} = \underline{\hspace{2cm}} \text{ square cm}$$

4)

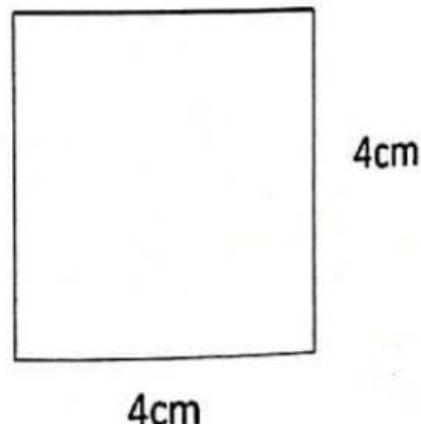

$$\text{Area} = \underline{\hspace{2cm}} \text{ square cm}$$

5)

$$\text{Area} = \underline{\hspace{2cm}} \text{ square cm}$$

6)

$$\text{Area} = \underline{\hspace{2cm}} \text{ square cm}$$
