2. Choose a company from the picture.
3. Prepare a short profile information about it (*it isn't necessary to tell true facts*). Answer your partner's questions and **tell about your company**:

It's a(n) ... company / organization.

It's a subsidiary of ...

It makes / produces ...

It has ... employees

It is based in ...

Its main competitors are ...

Its head office is ...

It provides / offers ...

It operates in ...

It specializes in ...

It has sales of ...

4. Ask each other questions about YOUR companies. Write the information about your partner's company. Tell about your partner's company to another person.
