Topic : CREATING A SURVEY FORM

Do you know what is a survey form ?

A survey form is used to collect information. Beside using a Survey Form manually, we can also conduct a survey via online. We can use certain apps to create a survey form. For instance, we can use Google Forms or Typeform to create a survey form.

Survey Form

My Friend's Name: _____

1. Can you cook?

Yes ☐ No ☐

2. If yes, what can you cook? If no, do you want to learn to cook?

3. Who normally does the cooking at home?

4. What's your favourite food?

5. What food would you never eat? Why?
