

Look at the pictures and rearrange the sentences to form a story. Number the sentences from 1 to 3 for each paragraph.

The mousedeer pulled hard but he could not get his leg out.

His leg was caught in a trap.

A mousedeer was walking towards a vegetable farm when he heard a "snap".

He lay on the ground and made his body stiff.

Suddenly, the mousedeer heard the farmer coming.

He had to think fast.

He pushed the mousedeer with a stick but the mousedeer did not move..

He thought that the mousedeer was dead.

The farmer saw the mousedeer on the ground.

The mousedeer landed on his feet and ran away happily.

The farmer did not want to eat a dead mousedeer.

So he took the mousedeer's leg out of the trap and threw the mousedeer into the forest.
