Keep on learning!

It doesn't matter (0) you are still at school or in full-time employment, making the effort to learn new things is very important. Most of us have a few subjects on (1) we focus. These may be associated (2) our study or job, or sometimes a hobby. (3) it is obviously important to develop a deep understanding of (4) matters to us most, it is equally worthwhile to extend our range of knowledge beyond what we are familiar with, and that is true at (5) age.

So the best advice is to find the time to (6) on new challenges and learn new skills outside the areas where we feel most comfortable. People often choose subjects (7) as new languages, computer skills, or painting. If you can't get to a class, then you can go online. Online courses can easily (8) found, and learning online means you put in as much time as you want each day.
