

Unit 1 – Review

Present simple vs. Present continuous:

Choose the correct words to complete the text.

My sister and I an experiment at the moment – no shopping for a month! Usually Mum me pocket money on Saturday and my friends and I shopping in the afternoon, but this Saturday is different. My friends for clothes and things but I this blog at home. Why? Well, I a lot of things that I never . This month my sister Jane and I our pocket money in our money boxes for our holidays, and we lots of other things. Shopping all the time is boring!

Write the questions in the present simple or present continuous

- 1 What / wear / at the moment?
- 2 you / reading / a good book / at the moment?
- 3 Where / usually / buy your clothes?
- 4 you / listen to music? What / you / listen to?

Read the sentences and decide if they are correct or not.

RIGHT

WRONG

- 1 At the weekend, I'm often going shopping.
- 2 I'm helping Mum in the kitchen right now.
- 3 Alex isn't here – he visits a friend at the moment.
- 4 I've got some important news! Are you listening?
- 5 In my country, we are drinking a lot of tea.

(don't) Want to, Would(n't) like to, Would prefer to:

Choose the correct options.
