Hi Joanne,
How's everything? I'm really excited about coming to see you in Paris next week. I've nearly got everything ready. I booked my ticket yesterday, but I haven't exchanged any currency yet. How much money should I bring? I also haven't decided what clothes to pack. Will I need a sweater for the evening? I got a new digital camera for my birthday. I can't wait to try it out. See you soon!
Kate
