1. Read the text and answer the questions:

I'm Hassan and I live in Cairo, Egypt. I live in an apartment with my parents and my sister. My grandparents and my aunt, uncle and cousins also live in apartments in the same building. I see them every day. My mum wakes me up every morning. I have breakfast with my family. I usually eat bread with cheese or an egg and I drink some juice. Then I catch the bus to school. I play with my friends before lessons start. We finish school at lunchtime. After school, I go home and I have lunch with my family. Then I watch TV for an hour. I do my homework and I sometimes help my dad with the shopping. My sister helps my mum to clean the house and wash the clothes. In the evening, I have dinner with my family. Then I play computer games. I go to bed at ten o'clock. I'm always tired after my busy day.
