

The image displays 18 blue chairs and 18 green tables. The chairs are arranged in four rows: the first row has 1 chair, the second and third rows have 4 chairs each, and the fourth row has 2 chairs. The tables are arranged in three rows: the first row has 5 tables, the second row has 3 tables, and the third row has 5 tables. This arrangement is used to demonstrate the concept of one-to-one correspondence between the two sets of objects.

2.4 Busca los vasos de jugo necesarios para que cada niña tenga uno.
Recuerda que debes ir en un solo viaje. De una sola vez.

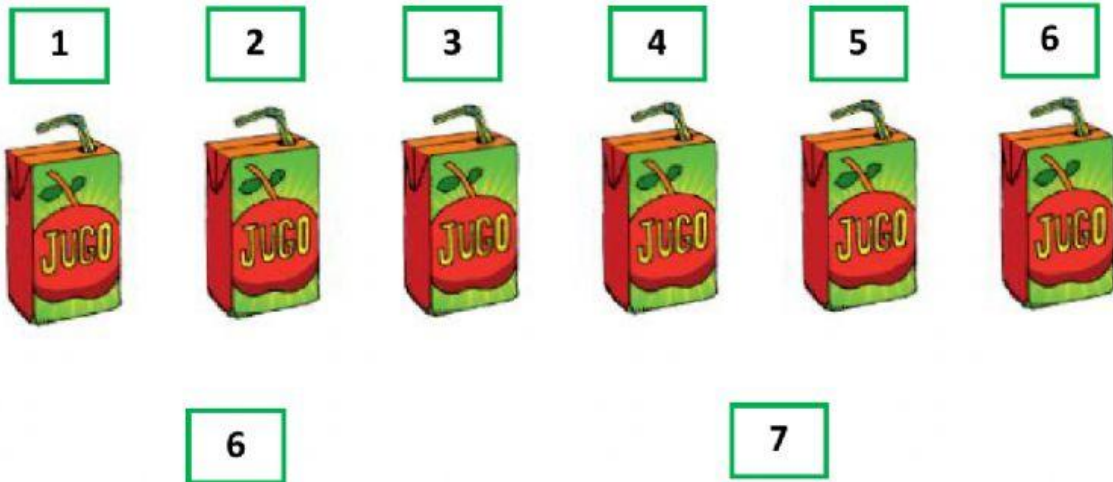

2.5 Busca los jockey necesarios, para que cada niño tenga el suyo.
Recuerda que no pueden faltar ni sobrar gorros.
