Hi! I'm Luke. This is my daughter Jean. We always go online and watch fun videos on YouTube.

1. Reading. Let's meet Luke. Read this Instagram post about him.

My name is Luke Geller. My daughter and my siblings call me *Lou*. I am a forty-seven years old lawyer; and I live in Toronto, Canada with my daughter Jean. She's seventeen years old and goes to school. This is her last year in high school; she wants to be a lawyer like me in the future...

My siblings are also my best friends. Monica is my little sister; she is a primary school teacher here in Toronto, too. She's thirty-two. We always hang out and go running together.

She doesn't like going to the movies, so we never go there. But, sometimes we watch some series at home.

Max is my brother; he's fifty and lives in New York. He is a pilot, and usually travels to Toronto once a month. When we have some free time together, we love going camping.

Max is keen on fishing. Monica and I often cook everything he fishes. We always have a great time together!

My daughter Jean and I also spend a lot of time together. We bake once a week, I am very good at it! Apart from baking, we ride our bikes every Sunday. This is one of my favorite activities. We ride for hours around the city and visit different places. Jean doesn't like the gym; so, we try to stay healthy riding our bikes every week.
