

Unit 6

I2 - Reading

Hotel madness: The crazy things people say!

(1) There are about 500, 000 hotels around the world. Every day, receptionists, servers, chefs, and managers work in these hotels looking after their guests. Guests often make special requests for things like an extra-large bed or a room with a view of the water.

(2) And sometimes people complain when something is not satisfactory. In the U.S., around two-thirds of these complaints are about the noise that other guests are making. Sometimes, guests' requests and complaints can make a hotel worker's job almost impossible!

(3) Here are some very weird requests that hotel workers have actually heard:
Would you mind lending me your suit tomorrow? I have a job interview to go to!
Could one of the staff give my daughter a hand with her homework?
Can you please fill my bath with chocolate milk?

- (4)
- I'd like chicken for dinner, please, but only the right leg.
 - Can you make sure all the strawberries in my cereal are the same size?

Some hotel guests are also very good at finding (or imagining) problems! These are some of their crazy complaints:

- At a London hotel, 40 miles from the coast: I can't see the ocean from my room.
- At a Portuguese hotel: My bed is way too comfortable. I keep oversleeping and missing the best part of the day!
- (5) At a hotel in Spain: There are too many tasty dishes on the restaurant buffet. I've gained more than 5 pounds!
- To a receptionist in the middle of the night: I haven't been able to sleep at all! My wife won't stop snoring!
- After coming back from a day trip to a water park: Nobody told us to bring our swimsuits and towels.

So the next time you're at a hotel and the staff look tired, be patient! Maybe they've had a stressful day!
