|                       |               |         |              |
|-----------------------|---------------|---------|--------------|
| Melompat sebelah kaki | Melonjak      | Berlari |              |
| Berjalan              | Menggelongsor | Berskip | Mencongklang |

The illustration shows children performing various physical activities on a grassy field. The activities are arranged in three rows, each with a corresponding empty box for labeling.

- Row 1: A child jumping over a low hurdle, two children performing a handstand, and two children running.
- Row 2: Two children performing a side plank, a child performing a handstand, and a group of children playing basketball.
- Row 3: A child performing a side plank, a child performing a handstand, a child performing a handstand, a child performing a handstand, and a child in a wheelchair.
