

## PENGUIN WALK

A funny little bird that \_\_\_\_\_ down south,  
The lovely little penguin \_\_\_\_\_ to catch fish with its mouth,  
No need to fly when you know how to \_\_\_\_\_,  
Can go so fast thanks to \_\_\_\_\_ strong wings,  
An Artic is a place where can be so cold,  
But a penguin just \_\_\_\_\_ it fine,  
So I'm told.

*You can see them swim,  
You might hear them \_\_\_\_\_,  
But there's nothing better than a penguin walk!  
Walking, walking,  
I like to watch a penguin walk.*

Spending time on land,  
It's a nice little break,  
From the fishing \_\_\_\_\_,  
Make no mistake,  
You can find them on the beach,  
You can find them on an island,  
These birds like to hang anyplace you can find them,  
Looking so fine with those black \_\_\_\_\_ white feathers,  
Enjoying all those friends when they \_\_\_\_\_ together.

*You can see them swim  
You might hear them talk  
But there's nothing better than a penguin walk!  
Walking, walking  
I like to watch a penguin walk.*
