Nothing I can see but you when you
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
.....I should do to you
But you dance, dance, dance
And ain't nobody leaving soon,
.....the feeling
So just dance, dance, dance
I can't stop the feeling
..... dance, dance, dance, come on

I can't stop

so keep dancing

dance, dance, dance

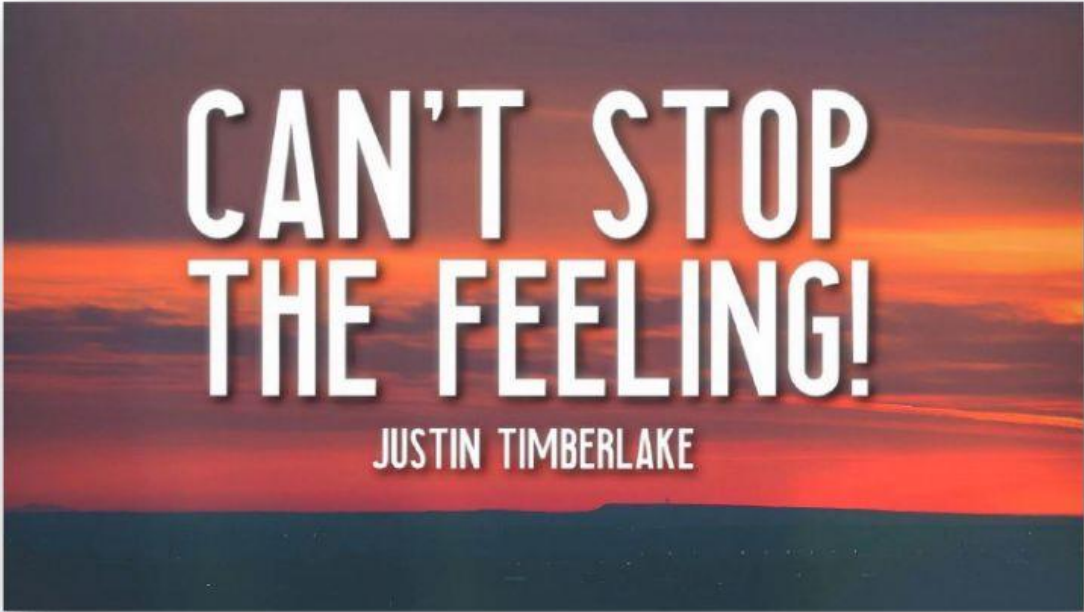

So just

all those things

4. Listen and choose.

Oh, it's something **magical /musical**
It's in the air, it's in my **heart/ blood**, it's rushing on
I **do/ don't** need no reason, don't need control
I **fly/climb** so high, no ceiling when I'm in my zone

Because I got that sunshine in my **pocket/socks**
Got that good song in my **mind/ feet**
I feel that hot blood in my **arm/body** when it drops
I can't take my **eyes/nose** up off it, moving so phenomenally

**CAN'T STOP
THE FEELING!**
