

¡CUENTITAS!

1) DESARMÁ LOS NÚMEROS EN CIENES, DIECES Y UNOS.

$$\begin{array}{c} \text{C D U} \quad \text{C D U} \\ 726 + 146 \end{array}$$

Arrows point from the digits 7, 2, and 6 of the first number to the 'C', 'D', and 'U' labels above them. Similarly, arrows point from the digits 1, 4, and 6 of the second number to their respective labels.

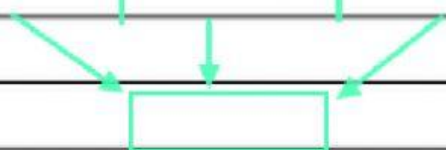

$$\begin{array}{c} \text{C D U} \quad \text{C D U} \\ 951 - 318 \end{array}$$

Arrows point from the digits 9, 5, and 1 of the first number to the 'C', 'D', and 'U' labels above them. Similarly, arrows point from the digits 3, 1, and 8 of the second number to their respective labels.

2) RESOLVÉ LAS CUENTAS.
