The ant screamed for help as the water was too strong.
One hot day, an ant was walking near a river bank.
Suddenly, it fell into the river.

The ant climbed on top of the leaf and reached the shore safely.
A dove, which was resting on a nearby tree saw the ant.
The dove quickly plucked off a leaf and dropped it into the water.

The ant wanted to save the dove so it quickly bit his leg.
A few days later, a hunter came to the river bank.
He saw the dove and wanted to kill it.

In the end, the dove thanked the ant for saving his life.
The dove heard the hunter's cry and flew away.
The hunter shouted in pain and missed the shot.
