HOW TO MAKE SUSTAINABLE CHOICES ABOUT YOUR CLOTHES

1 When you buy clothes, choose options that are well made and last longer. This way, you don't need to buy new clothes all the time.

2 Take care of the clothes you have and repair them, so that they look good for a long time.

3 Are you tired of the clothes you have? Update them and create new looks using what you already have.

4 If you don't want something anymore, swap them with your friends or give them to charity, so that other people can use them.
