SHOULD or SHOULDN'T?

Our planet is in trouble because people pollute the environment, cut down trees and produce a lot of rubbish.
What should we do to protect it?
Fill in the gaps with SHOULD or SHOULDN'T.

We _____ plant more trees.

We _____ take a shower instead of a bath.

We _____ recycle bottles and cans.

We _____ walk, cycle or use public transport.

We _____ use reusable cotton bags.

We _____ leave the lights on when we go out.

We _____ save water.

We _____ use plastic straws.

We _____ donate clothes and toys to charities.
