

Mount Everest:

The Highest Garbage Dump in the World?

Most people know that Mount Everest is ¹ mountain in the world. However, there is another fact that many people don't know: it has become one of ² mountains in the world.

Mount Everest is one of ³ and ⁴ mountains to climb on Earth. It is not ⁵ or ⁶ place on Earth, but it comes close! These challenges make it one of ⁷ mountains for serious climbers. Since 1952, over 3500 climbers have reached the top. Unfortunately, most of them have left equipment and trash on the mountain.

In fact, trash is now one of ⁸ threats to the environment on Mount Everest. Local organizations have brought tons of trash down from the mountain. One of ⁹ projects handed over more than a ton of tin cans, glass bottles, and old climbing tools to artists in Nepal. The artists used the trash to create works of art. Then, they sold the art to raise money for local charities. ¹⁰ work of art cost \$17, and ¹¹ one cost \$2400.

¹ **charity:** an organization that raises money to help people
