

Who Knew

You took my hand
You showed me how
You promised me you'd be around
That's right
I took your words and I believed
In everything you said to me
That's right

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong
I know better
Cause you said forever, and ever
Who knew

Remember when we were such fools
And so convinced and just too cool
Oh no, no no
I wish I could touch you again
I wish I could still call you friend
I'd give anything

When someone said count your blessings now
'fore they're long gone
I guess I just didn't know how
I was all wrong
They knew better
Still you said forever, and ever
Who knew

I'll keep you locked in my head
Until we meet again
Until we, until we meet again
And I won't forget you my friend
What happened

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong and
That last kiss I'll cherish
Until we meet again
And time makes it harder
I wish I could remember
But I keep your memory
You visit me in my sleep
My darling
Who knew

Find in the lyrics the past simple form of the following verbs.

say

believe

be

take

can

know

promise

show

Write the past simple form of the following verbs next to their infinite form.

say _____
believe _____
be _____
take _____

can _____
know _____
promise _____
show _____

So, what's the rule for creating the simple past form of regular verbs?

Set Fire to the Rain

I let it fall, my heart,
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me

My hands, they were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

CHORUS:

But there's a side to you
That I never knew, never knew.
All the things you'd say
They were never true, never true,
And the games you play
You would always win, always win.

But I set fire to the rain,
Watched it pour as I touched your face,
Well, it burned while I cried
'Cause I heard it screaming out your name, your name!

When I lay with you
I could stay there
Close my eyes
Feel you here forever
You and me together
Nothing gets better

CHORUS

I set fire to the rain
And I threw us into the flames
Well, it felt something died
'Cause I knew that that was the last time, the last time!

Sometimes I wake up by the door,
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you.

...

Let it burn

Regular verbs	Irregular verbs

So, what's the rule for creating the simple past form of regular verbs?

Rasputin

There lived a certain man in Russia long ago
He was big and strong, in his eyes a flaming glow
Most people looked at him with terror and with fear
But to Moscow chicks he was such a lovely dear
He could preach the bible like a preacher
Full of ecstasy and fire
But he also was the kind of teacher
Women would desire

CHORUS:

Ra-Ra-Rasputin
Lover of the Russian queen
There was a cat that really was gone
Ra-Ra-Rasputin
Russia's greatest love machine
It was a shame how he carried on

He ruled the Russian land and never mind the czar
But the kasachok he danced really wunderbar
In all affairs of state he was the man to please
But he was real great when he had a girl to squeeze
For the queen he was no wheeler dealer
Though she'd heard the things he'd done
She believed he was a holy healer
Who would heal her son

CHORUS

But when his drinking and lusting and his hunger
for power became known to more and more people,
the demands to do something about this outrageous
man became louder and louder.

"This man's just got to go!" declared his enemies
But the ladies begged "Don't you try to do it, please"
No doubt this Rasputin had lots of hidden charms
Though he was a brute they just fell into his arms
Then one night some men of higher standing
Set a trap, they're not to blame
"Come to visit us" they kept demanding
And he really came

CHORUS

He drank it all and said "I feel fine"

They didn't quit, they wanted his head

And so they shot him till he was dead

Find in the lyrics the past simple form of the following verbs.

Regular verbs	Irregular verbs

So, what's the rule for creating the simple past form of regular verbs?

I Will Survive

First I was afraid, I was petrified
Kept thinking I could never live
without you by my side
But then I spent so many nights
thinking how you did me wrong
And I grew strong
I learned how to carry on

And so you're back
from outer space
I just walked in to find you here
with that sad look upon your face
I should have changed my stupid lock
I should have made you leave your key
If I had known for just one second
you'd be back to bother me

Oh now go! Walk out the door!
just turn around now
'cause you're not welcome anymore
weren't you the one who tried to hurt me with goodbye
you think I'd crumble
you think I'd lay down and die
Oh no, not I
I will survive
as long as i know how to love
I know I will stay alive
I've got all my life to live
I've got all my love to give
and I'll survive
I will survive

It took all the strength I had
not to fall apart
kept trying hard to mend
the pieces of my broken heart
and I spent oh so many nights
just feeling sorry for myself
I used to cry
Now I hold my head up high
and you see me
somebody new
I'm not that chained up little person
still in love with you
and so you felt like dropping in
and just expect me to be free
now I'm saving all my loving
for someone who's loving me
