Hi Key pals!

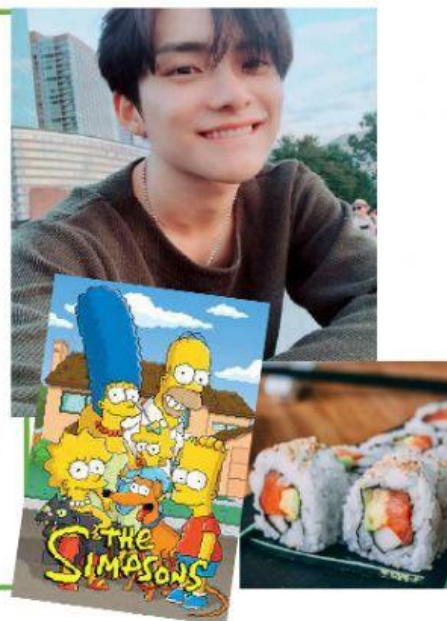

How are you? My name is John Ono. I'm 19 years old and I'm from San Francisco. I'm a student at the New York College of art. My major is in computer animation. My favorite TV shows are The Simpsons and South Park. They're so cool!

My mother is from USA, but my father is from Japan, so I'm half-Japanese. I like everything from Japan. I read a lot of manga comics and my favorite food is sushi.

Anyway... what about you? What's your name? How old are you? Tell me about your favorite things.
