

Looking in your eyes I see a [redacted].
This [redacted] that I've found
Is too good to be true.
Standing here [redacted] you,
Want so much to give you
This love in my [redacted]
That I'm feeling for you.

Let them say we're crazy,
I don't [redacted] about that.
Put your [redacted] in my hand, baby.
Don't ever [redacted] back.
Let the world around us
Just fall apart.
Baby, we can make it
If we're heart to heart.

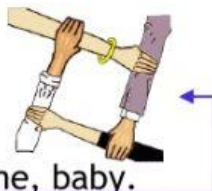

[Chorus:]

And we can build this [redacted] together,
Standing [redacted] forever.
Nothing's gonna stop us now.
And if this world
Runs out of [redacted]
We'll still have [redacted] other.
Nothing's gonna stop us,
Nothings gonna stop us now.

I'm so [redacted]
I found you.
I'm not gonna [redacted] you.
Whatever it takes,
I will [redacted] here with you.
Take it to the good times,
See it [redacted] the bad times,
Whatever it takes,
Is what I'm gonna do.

Let them say we're crazy,
What do they [redacted]?
Put your [redacted] around me, baby.
Don't [redacted] let go.

Let the world around us
Just fall apart.
Baby, we can make it
If we're heart to heart.

Repeat [Chorus]....

Oh, all that I need is you.
All that I ever need,
And all that I want to do,
Is hold you forever, ever and ever.

Repeat [Chorus]...

Hey, baby, I know,
Hey, baby, nothing's gonna stop us.
Hey, baby, nothing, hey, baby.
Nothing's gonna stop us now, yeah.
