Last two weeks, my family and I spent a great time together. We went on a picnic 1. . It has been quite some time since we last went to a waterfall. Situated just by the outskirts of the city, the journey was not long. We took about one hour 2. . Being quite near was also another reason why we choose to go to Kanching Falls in Rawang.

I was excited for this trip so when my mother asked us to make early preparations, I readily did so. We packed 3. , while my mother woke up early to prepare the food we were going to eat there. Dad planned to have a barbecue so he and my brother were busy 4. and loading the necessary things into the car.

Once we reached our destination, I spotted a shady place under a big tree. We quickly 5. while Dad parked the car. To make our picnic more exciting, Dad put up a tent and not long after that he started the barbecue going.

It was really fun eating, talking as a family and Mum's cooking was 6. that day. After we had eaten, we went into the cool, clear water. It was certainly refreshing!

After a few hours in the water, we decided to stop and had another round of eating. After that, Dad said it was 7. . We cleaned and cleared the picnic area of any rubbish and loaded our things into the car. It was time to go back.

It was certainly a picnic to remember as it was 8. and I definitely enjoyed myself. I hope we would have another picnic soon.
