### SUMMER HOLIDAYS

- A.** All the people enjoy summer holidays very much. It is a great pleasure to have a rest after the whole year of hard work or study. People like travelling during their summer holidays. Some people go abroad to see new countries, some people prefer to go to the countryside to enjoy country life far from noise and fuss of big cities.
- B.** Some people like spending their holidays in cities, visiting theatres, museums and going sightseeing. Many theatres companies come to Moscow, for example, from other cities. They bring new plays. My friend always spends June and July in the city. There are not so many people in museums or theatres.
- C.** I prefer to have a holiday at the seaside. I do not like crowds when I am on holiday. My family and I always have our holiday on the coast. The sea and sunshine that is what we look forward to every summer. Hotels at the large seaside towns are rather expensive, so we usually go to a holiday camp.
- D.** Last year we spent our holidays in such a camp. Each day was full of small joys. We swam in the sea, lay in the sun, played different games. We had a wonderful time. The time flew very quickly. It was a wonderful holiday.
