

So, she said, "What's the problem, baby?"
 What's the problem? I don't know
 Well, maybe I'm in love (Love)
 Think about it
 Every time I think about it
 Can't stop thinking 'bout it
 How much **on der onelgr** will it take to cure this?
 Just to cure it, 'cause I can't **snore / ignore / know** it if it's love (Love)
 Makes me wanna turn around and face me
 But I don't know nothing 'bout love, no

Come on, come on
 Turn a little **as fer ratfse**
 Come on, come on
 The world will follow after
 Come on, come on
 Because everybody's after love

So I said, I'm a **snowboard / snowbound / snowball** running
 Running down into the spring that's coming
 All this love
 Melting under blue skies
 Belting out sunlight, shimmering love
 Well, baby, I **sunrise / surrender / surround**
 To this strawberry ice cream
 Never-ever-ender
 All this love
 Well, I didn't mean to do it
 But there's no escaping your love

These lines of lightning mean we're never alone
 Never alone
 No, no

Come on, come on
 Move a little **clo ser loscer**
 Come on, come on
 I wanna hear you **whisper / Mister / whistle**
 Come on, come on
 Settle down inside my love

Come on, come on
 Jump a little **ing her ighehr**
 Come on, come on
 If you feel a little **igh sta eilgrth**
 Come on, come on
 We were once upon a time in love

We're accidentally in love, accidentally in love

Exc: Write the name for each image
 (The names are in the lyric)

Accidentally in love, accidentally in love
Accidentally in love, accidentally in love
Accidentally in love, accidentally in love
Accidentally, I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love
Accidentally, I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love
Accidentally

Come on, come on (Come on)
Spin a little **lighter** **igttther**
Come on, come on (Come on)
And the world's a little **lighter** **rigbhettr**
Come on, come on (Come on)
Just get yourself inside her love
