A tuk-tuk looks like a motorbike with three wheels. The driver sits in the front, and two to three people can sit in the back. Many tourists take tuk-tuks in Thailand. They can be faster than taxis. Riding in tuk-tuks is fun and exciting, too.

Gondolas are long boats. In the past, people used them in Venice, Italy, to get from one place to another. Gondolas are very slow. Riding in a gondolas isn't very comfortable, but tourists love it!

People ride snowmobiles on snow. Snowmobiles haven't got wheels. They have got skis. They can go very fast. Snowmobile drivers have to wear a helmet and very warm clothes. It can get cold on a snowmobiles.
