

Let It Go

The glows
white on the
mountain tonight
Not a footprint to be

A kingdom of
isolation
And it looks like I'm
the

The wind is
howling like this
swirling storm

Couldn't keep it in, heaven knows I've
tried
Don't let them in, don't let them see
Be the good you always have
to
Conceal, don't feel, don't let them

Well, now they know
Let it go, it go
Can't hold back anymore

Let it , let it go
Turn away and slam the
I don't care what they're going to
say
Let the storm rage on
The never bothered me
anyway

It's funny how some distance
makes everything seem
And the fears that once controlled
me get to me at all
It's time to see what I can do
To the limits and break through
No right, wrong, no rules
for me
I'm

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me
Here I stand and here I stay
Let the storm rage on

My power flurries through the air
into the ground
My is spiraling in frozen
fractals all around
And one thought crystallizes like an
icy blast
I'm never going back, the past is
in the

Let it go, let it go
When I'll rise like the break of dawn

Let it go, let it go
That girl is gone
Here I stand in the light of day
Let the storm rage on
The cold never bothered me
