

# 17-7-2021 ADDITION SUMS-

**Some more on addition**

I can do it now.

First add the ones.  
 $5 + 4 = 9$  ones

Next add tens.  
 $5 + 7 = 12$  T  
 $12$  T =  $1$  H +  $2$  T  
 Carry it to hundred's place

Now add the hundreds.
