Topic: PRESENT SIMPLE – Interrogative Form / Questions

Dear Students,

In this period we are still talking about our daily activities but we focus on questions, because questions are a very important part of our daily life.

In English, this is the structure for ALL kind of questions:

WH – WORD:

WHEN,
WHERE,
WHAT, WHY...

+

AUXILIARY:

DO / DOES

+

SUBJECT

+

VERB
(INFINITIVE)

Questions words can be optative, so we have two possible types of questions:

- I) Wh-Questions: *What do you have for breakfast?*
In this case, we need to give information: *I have cookies with milk for breakfast*
- II) Yes –No Questions: *Does your mother work?*
