COLEGIO PIEDECUESTA INFANTIL

Resolución 02208 del 7 de Marzo de 2007

DANE
368547001866

Nombre:

Grado:

DIVISIÓN

1. Escribe los términos de la división

Diagram illustrating the components of a division problem:

$50 \overline{) 5}$

The diagram shows the dividend (50) and the divisor (5) with arrows pointing to their respective boxes. Below the division line, the quotient (0) and the remainder (10) are shown with arrows pointing to their respective boxes.

2. Resuelve:

$16 \div 4 = \square$	$21 \div 7 = \square$
$15 \div 3 = \square$	$45 \div 5 = \square$
$15 \div 5 = \square$	$18 \div 2 = \square$
$28 \div 7 = \square$	$54 \div 9 = \square$
$24 \div 6 = \square$	$49 \div 7 = \square$
