

Nick name: ... M3/.....

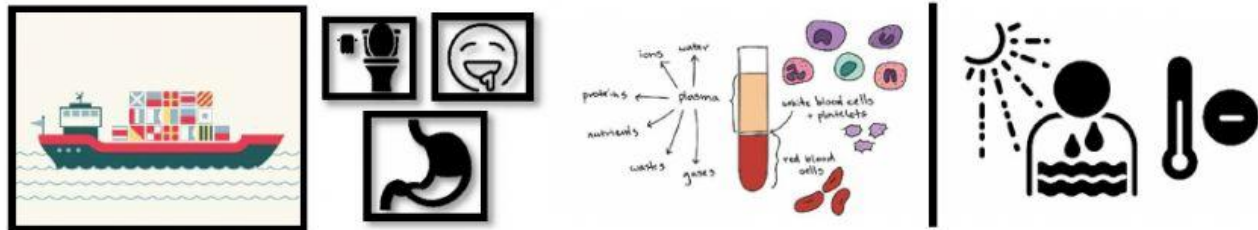

How organisms interact with Water ?

1. How animals (like humans) interact with water ?

.....

.....

2. Why do we need water in our body ?

.....

.....

.....

3. How plants interact with Water ? (how do they drink water ?)

.....

.....

		
A sponge water		

4. What chemical reaction happens in the plants ?

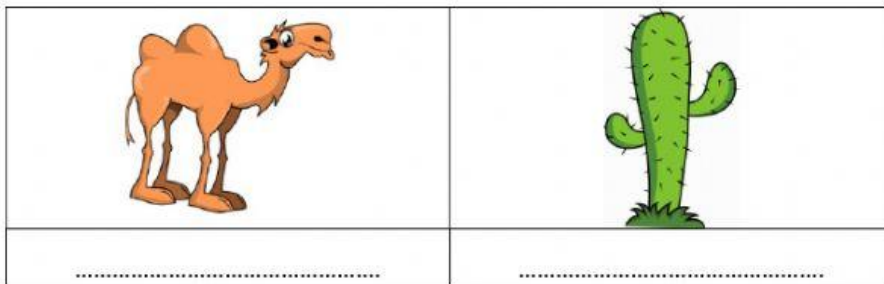

Name of the chemical reaction :

5. What plants do with water ?

6. What is adaptation ?

7. What 2 organisms, in your science book in the chapter of water, "adapt" to the desert ?

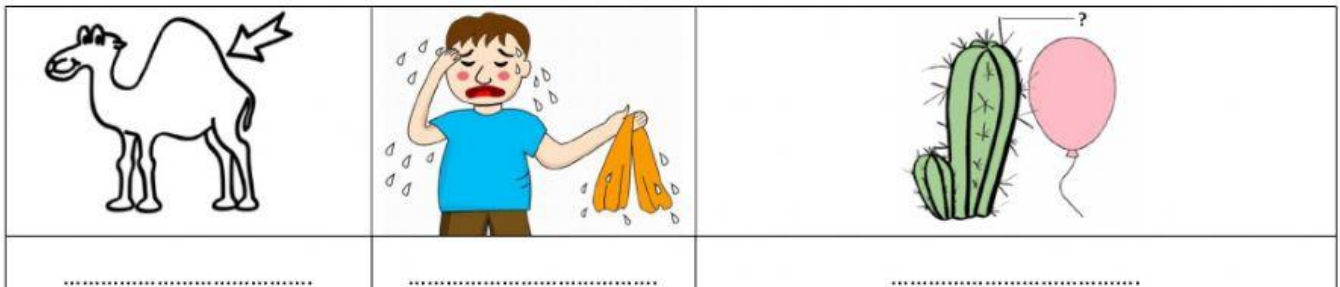

How do they adapt to the desert ?

Animal = adapts to the desert because :

-
-
-

Plant = adapts to the desert because :

-
-
-

shallow

To chocolate on the bread
