Everybody knows farmers work a lot ...

Uncle Fred's a farmer and he has to wake up at six o'clock every morning because he's got work to do. After he gets up he doesn't have a shower or have breakfast. He always goes out to give the chickens their breakfast. He takes their eggs and then he goes to see the cows. At nine o'clock it's time for breakfast but before Uncle Fred goes into the house he has to take off his shoes because they're very dirty! He always has eggs and milk for breakfast.

Uncle Fred has to work at the weekends too but he loves his job. It's very quiet in the countryside and he loves working with animals.
