

Listen to a boy telling his friend about something that happened to his last night. How are the pictures connected?

Listen again and decide if the ideas are true (T), false (F) or if the information is not mentioned (NM)

1. Daniel was watching a detective film last night.
2. Jim doesn't like watching detective programmes.
3. Daniel was enjoying the programme he was watching.
4. Daniel stopped watching because his parents called him.
5. Daniel went to the kitchen to see what was happening.
6. Daniel's new cat was responsible for the scene in the kitchen.
7. Somebody was crying in the kitchen.
8. Daniel's parents were really angry with him because of the cat's behavior.
