

Match each idiom with its meanings, let's show how we do it!

Out of sorts		To make it worse
Cry over spilt milk		Tell me what you're thinking
Hit the mark		Be successful
Penny for your thoughts		Not feeling well
In the nick of time		Make someone angry
Go out of frying pan into the fire		Get upset over something that can't be changed
to top it all off		Control myself
Ad fuel to the fire		Get crazy
Be on pins and needles		Go from a bad situation to a worse one
Get made fun of		In the last moment.
Put myself together		Be criticized or teased
Go out of your mind		Feel anxious
Be in the dark		work until very late
In a nutshell		In few words
		Not having any idea
Run out of time		
Burn the midnight oil		Have no more time to complete something
