

Check the rules and choose the right option

We use -er for short words (one syllable): cheap = cheaper fast = faster weak = weaker strong = stronger big = bigger wet = wetter fat = fatter hot = hotter	We also use -er for two-syllable words that end in -y (-y + ier): lucky = luckier early = earlier pretty = prettier lazy = lazier	DON'T FORGET: There are adjectives and adverbs with irregular comparative forms: good / well = better bad / badly = worse far = further (or farther)
