Not Just a Teacher, but a Friend

I had nowhere to turn, had nowhere to go
This is just something I think you need to know
I don't know what made me trust you
I still remember the day when I told you what I've been through
I thought I should run away, go hide in a hole
But then you really brought out my true soul
 As each day grew longer
 Our trust became stronger
 Each time I wanted to cry
 You stayed there right by my side
Then I moved to the next grade
Boy was I afraid
That our trust would slowly fade
But I was wrong
We are still strong

Even though sometimes you don't have time
You at least ask me if I am fine
Even though sometimes I am not
I feel like I have just been shot
I smile and say yes I'm alright
Then I walk away and you're out of sight
I'll just have to wait
I still have my fate

I am so glad
That you were there when I was sad
And this is what makes you
Not just my 9th grade teacher, my friend
