

2 Enzo finds the secret potions

Suddenly, Enzo looks at the TOP SECRET cupboard. He thinks, 'What's in there? What's TOP SECRET?'

He looks for Professor Puffendorf's keys and the secret code for the TOP SECRET cupboard.

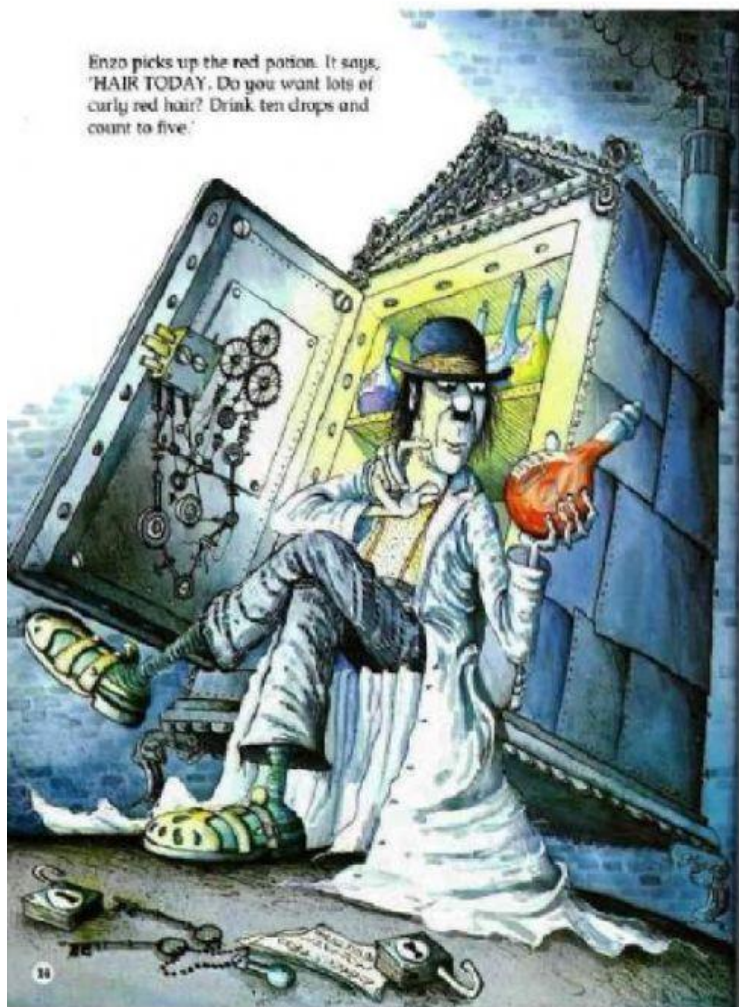

He finds them. 'Aha!'

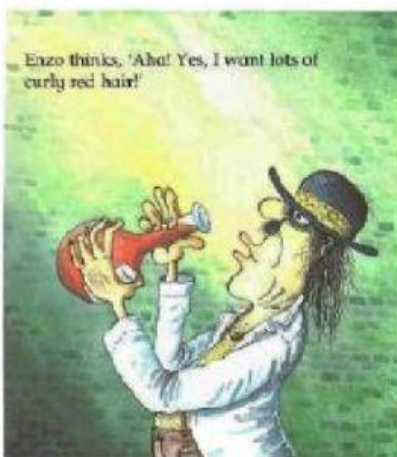

Enzo opens the TOP SECRET cupboard. Look! Lots of bottles with secret potions! There are purple and red and green and blue and yellow potions!

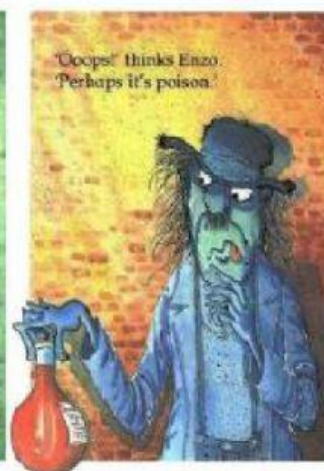

Enzo picks up the red potion. It says, 'HAIR TODAY. Do you want lots of curly red hair? Drink ten drops and count to five.'

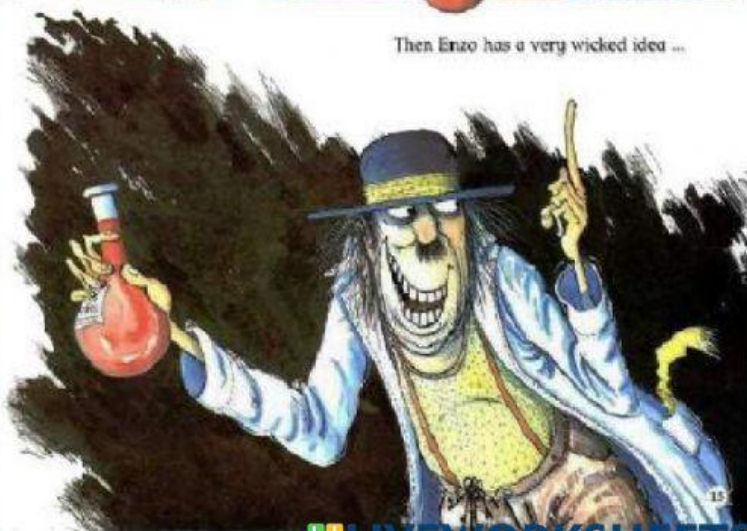

Enzo thinks, 'Aha! Yes, I want lots of curly red hair!'

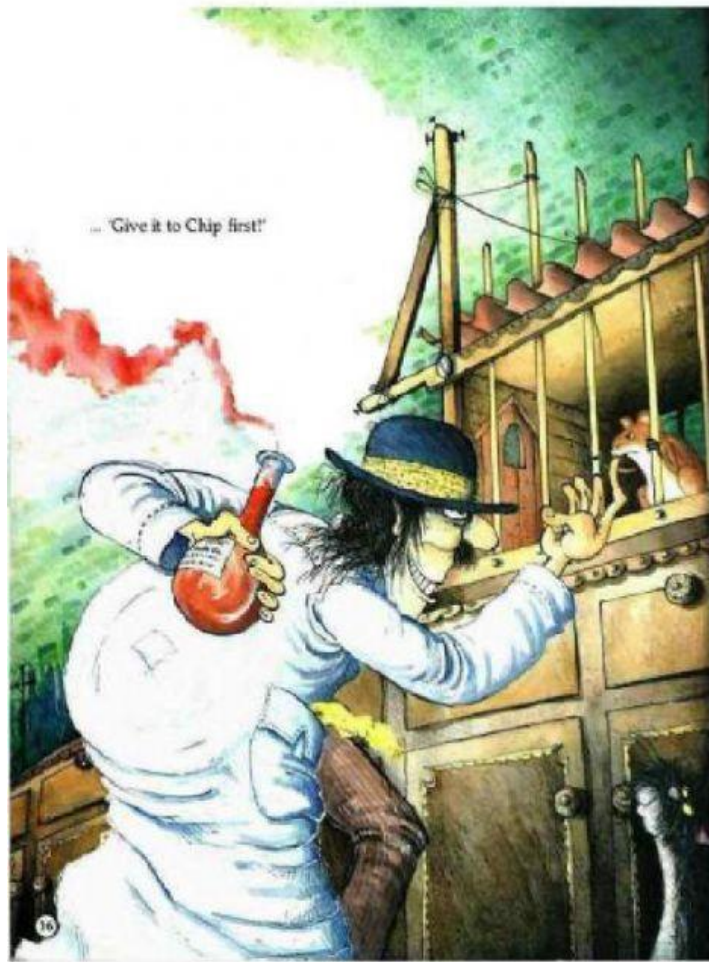

'Ooops!' thinks Enzo. Perhaps it's poison.'

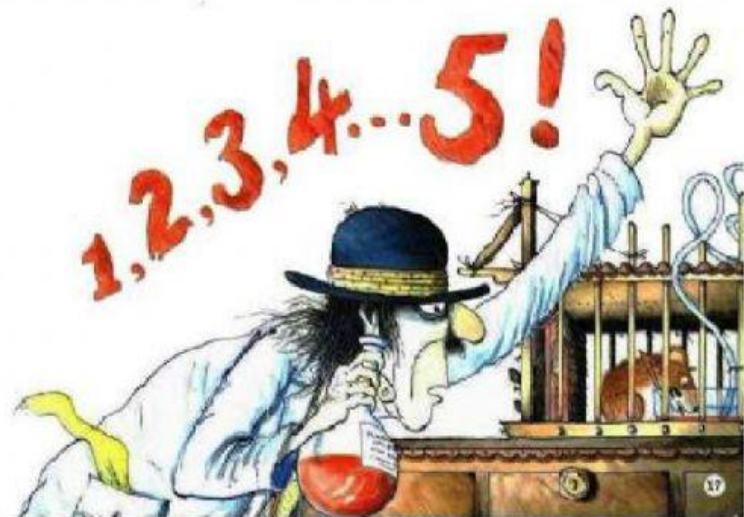

Then Enzo has a very wicked idea ...

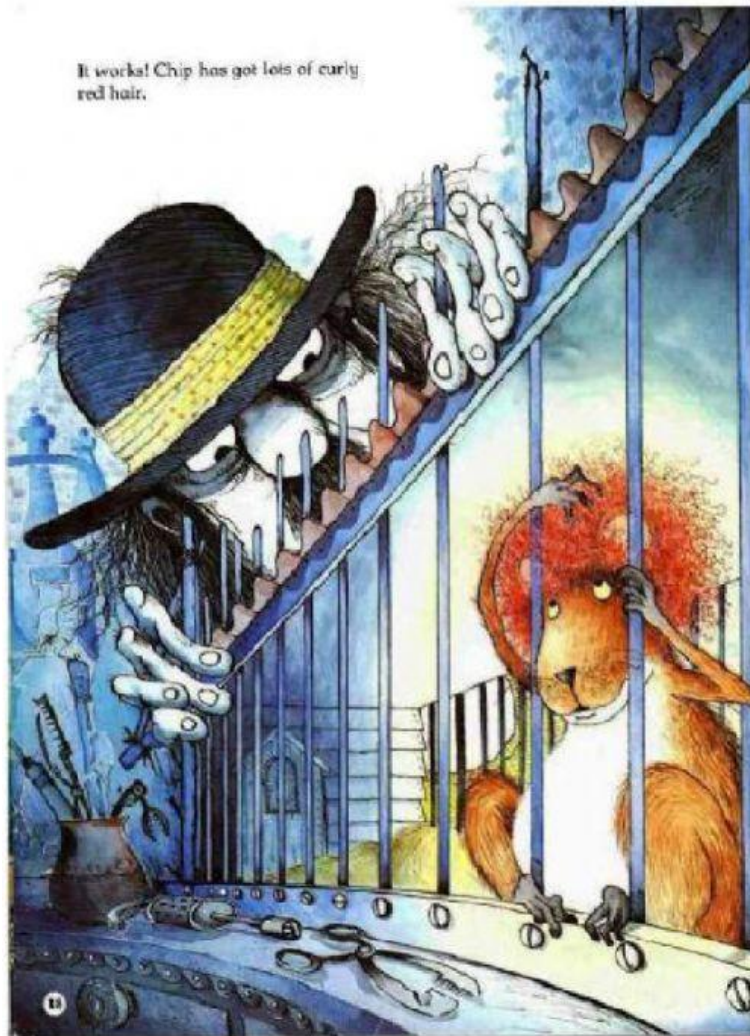

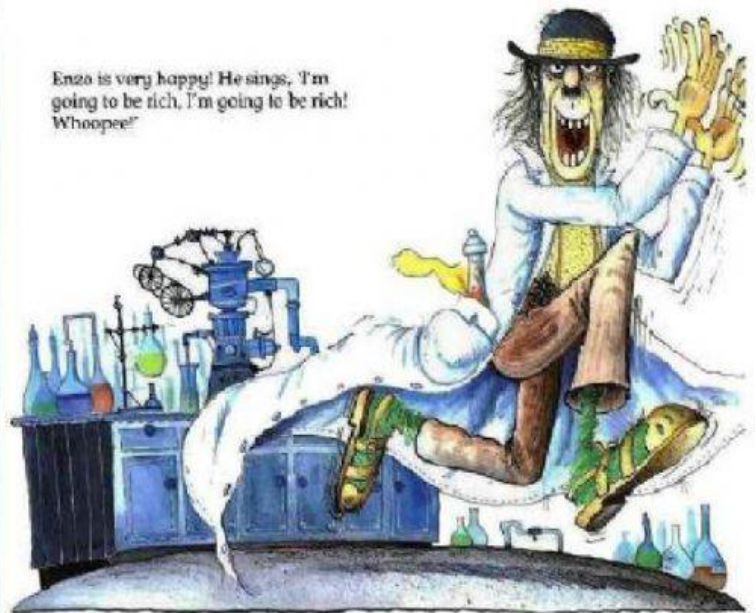

Chip drinks and Enzo counts,
'One ... two ... three ... four ... five ...'

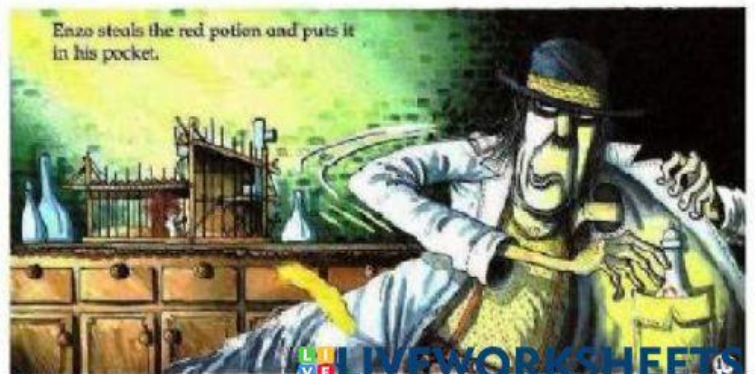

It works! Chip has got lots of curly red hair.

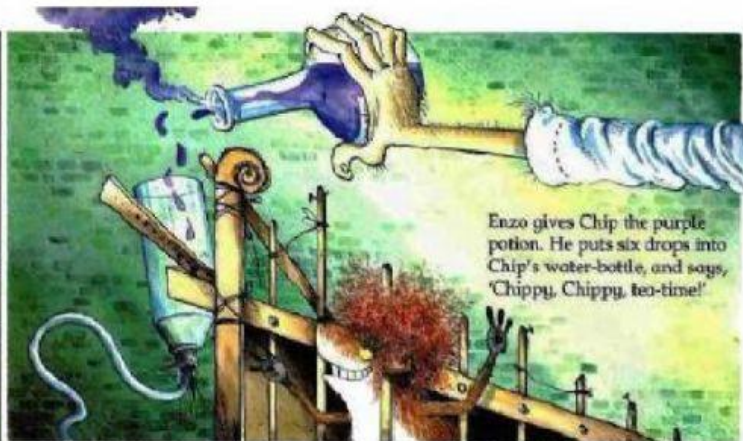

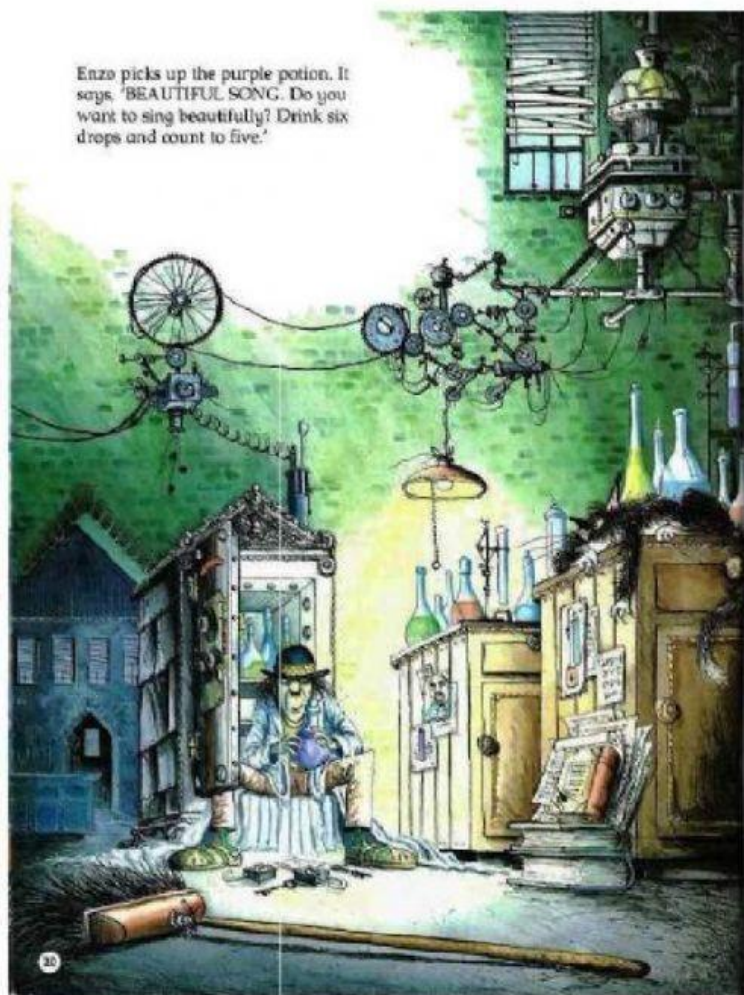

Enzo is very happy! He sings, 'I'm going to be rich, I'm going to be rich! Whoopee!'

Enzo steals the red potion and puts it in his pocket.

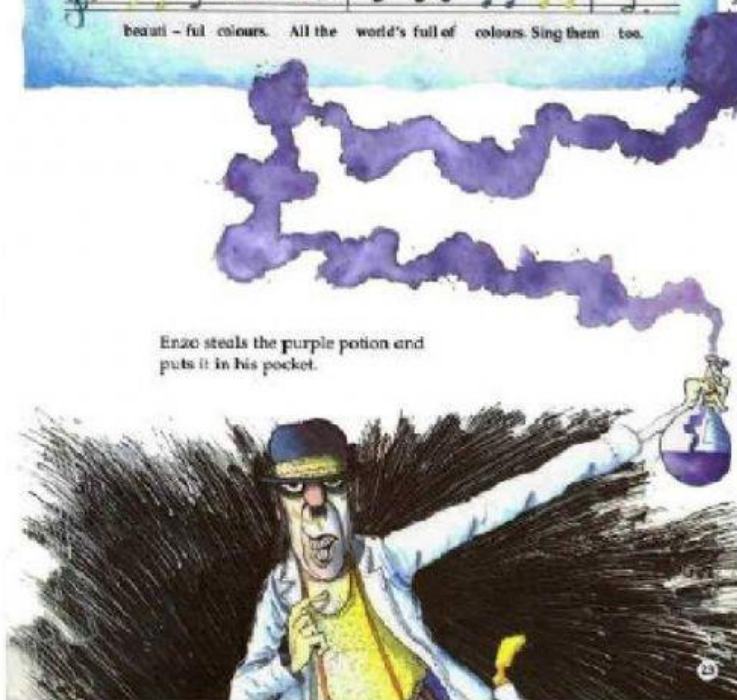

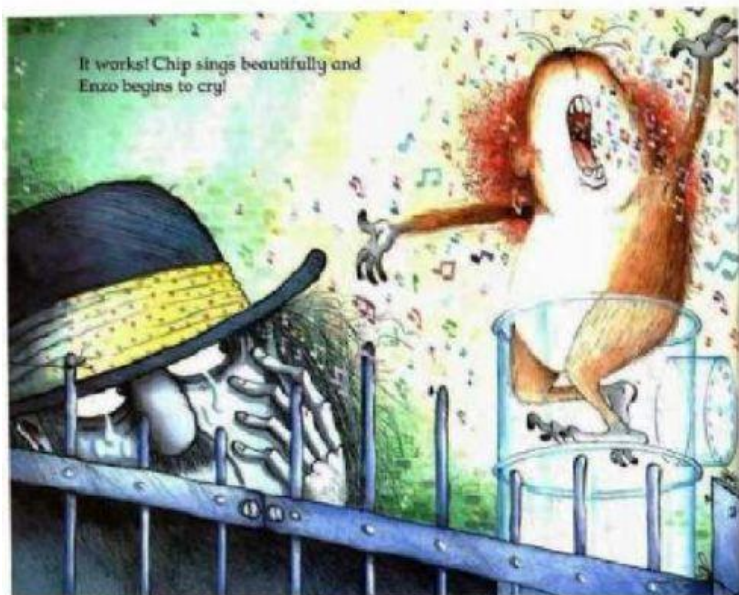

Enzo picks up the purple potion. It says, 'BEAUTIFUL SONG. Do you want to sing beautifully? Drink six drops and count to five.'

Enzo gives Chip the purple potion. He puts six drops into Chip's water-bottle, and says, 'Chippy, Chippy, tea-time!'

Chip drinks and Enzo counts, 'One ... two ... three ... four ... five ...'

Enzo picks up the blue potion. It says, 'SECRET DREAM. Do you want all your dreams to come true? Drink one drop and count to five.'

'Wow!' thinks Enzo. I'm going to be very, very rich. I'm going to be famous. I'm going to be the mayor. I'm going to be the king!

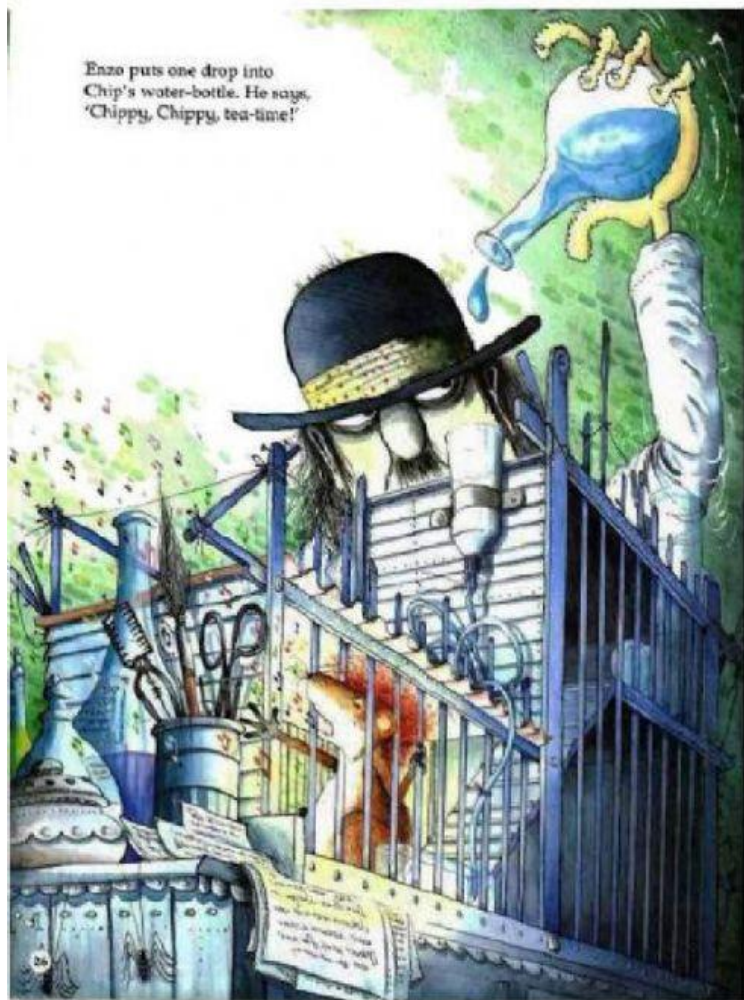

'Ooops!' thinks Enzo. 'Perhaps it's poison ...'

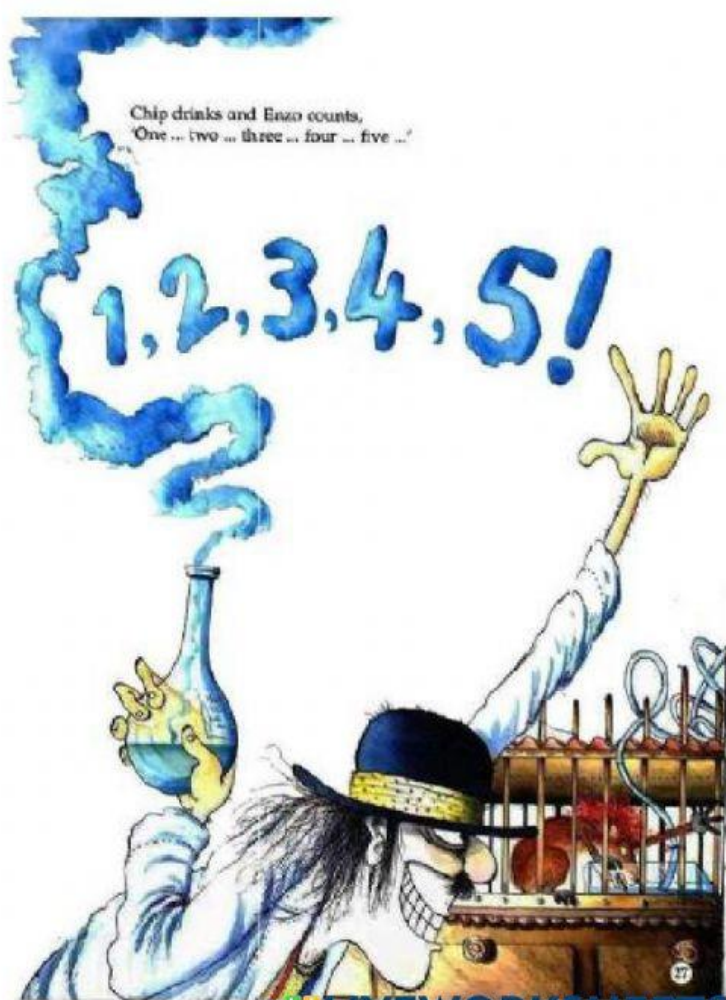

'... Give it to Chip first!'

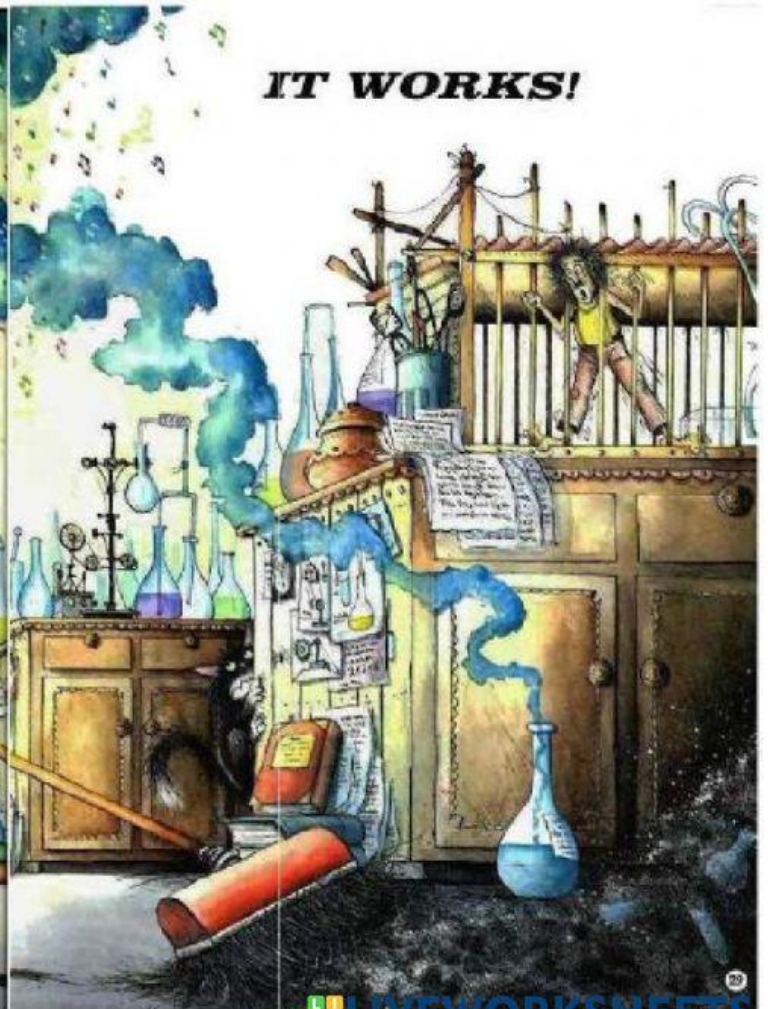

Enzo puts one drop into
Chip's water-bottle. He says,
'Chippy, Chippy, tea-time!'

Chip drinks and Enzo counts,
'One ... two ... three ... four ... five ...'

IT WORKS!
