

# Respiratory System

**Instructions:** label the parts of the respiratory system. Later in your notebook with the help of your teacher define the function of the organs labeled in the worksheet.

|           |        |             |
|-----------|--------|-------------|
| Trachea   | Lung   | Bronchioles |
| Bronchi   | Larynx | Nose        |
| Diaphragm |        |             |
