

Sun, Moon and Stars

Up there in space
I see the _____
It's _____ and

At _____ it's gone
I put my helmet on
I take my rocket ship
I want to fly up high
so I can say

Hello _____, hello
_____, hello

I just want to say hi
Hello _____, hello
_____, hello

I just want to say hi

Up there in space
I see the _____
in different shapes
crescent or full
I put my moon _____
on
I take my rocket ship

I want to fly up high
so I can say

_____, _____
_____, _____
I just want to say hi

_____, _____
_____, _____
I just want to say hi

Up there in space
I see the stars
They're _____ and

They're near and

I put my space suit on
I take my rocket ship
I want to fly up high
so I can say

_____, _____
_____, _____
I just want to say hi

_____, _____
_____, _____
I just want to say hi
