# A DREAM COME TRUE

This year for my summer holiday I wanted to enjoy the good life and travel in style so I sailed around the Red Sea in a luxury yacht. I left behind sub-zero winter temperatures in the UK and arrived to clear blue skies and cheerful sunshine.

The yacht that was to be my home for the week was named Elizabeth. (1)

As soon as I got aboard, I took off my shoes and enjoyed the pleasure of walking on the cool wooden deck. After I was introduced to some of the other passengers, I was shown around the vessel by two crew members. (2)

On the first night we had a delicious evening meal which consisted of fresh fish and roasted vegetables followed by a rich chocolate cake served with vanilla ice cream. (3) The following morning we set off on our journey; it was a wonderful feeling just sitting and watching the turquoise water slide by. Later on in the day, I went snorkelling and saw some colourful marine life. (4) After a refreshing swim we all went back to the yacht where we had lunch. The remainder of the day was spent lazing on the deck.

During the rest of the week I learned how to sail, which was loads of fun but mostly I spent my time swimming in the sea or on the deck relaxing and chatting to the other passengers. (5) I would definitely recommend this type of holiday to anyone who wants to get away from it all.

**A.** At the end of the week, I felt completely refreshed.
**B.** My cabin was very comfortable and above the deck there was a spacious dining area and a lounge with a TV.
**C.** After that feast, I sat with some of the other guests watching the sun go down.
**D.** Even though it was very hot during the day, in the mornings there was a chill in the air.
**E.** When I caught sight of Elizabeth in the port, I experienced a thrill of excitement.
**F.** Apart from lots of fish, I saw several large purple jellyfish, which I have to admit made me a bit nervous.
