

Dog Days Are Over – Florence and the Machine

1.

Happiness, hit her like a train/truck on a track
Coming towards her, stuck still no turning/going back
She hid around corners and she hid under/over beds
She built/killed it with kisses and from it she fled
With every bubble/trouble she sank with a drink
And washed it away down the chicken/kitchen sink

2. Chorus

The _____ are over
The _____ are done
The horses are coming so you better run

3.

Run fast for your _____ run fast for your _____
Run for your _____ for your _____ and _____
Leave all your _____ and your longing behind you
Can't carry it with you if you _____ to survive

Repeat Chorus

4.

And I never wanted anything/something from you
Except nothing/everything you had
And what was left after/before that too, oh.
Happiness hit her like a bullet in the neck/back
Struck from a good/great height
By someone/somebody who should know better than that

Repeat Chorus

Repeat 3.
