

Hi Cristian!

How are you?

Next week I'm going to Argentina! I'm very excited about that!

How is the weather like now? My plane lands in Buenos Aires but I want to go to Iguazu falls. How should I go there? Did you go? Did you like it? What should I wear in my bag for 2 days?

What should I do to prevent covid ? What things I shouldn't do?

Hope to see you soon,

Love,

Patrick
