

2 3 4 5 6 > 8 9 0 1 2 3

Separate and draw according to the size

1 2 3 4 5 6 7 8 9 0 1 2 3

Attach the pictures according to the size

The worksheet is divided into two main sections by a central logo. The top section contains two columns of items. The left column has five strawberries of varying sizes, with an arrow pointing from the largest one to a box. The right column has five leaves of varying sizes, with an arrow pointing from the largest one to a box. The bottom section also contains two columns. The left column has five dresses of varying sizes, with an arrow pointing from the largest one to a box. The right column has five soccer balls of varying sizes, with an arrow pointing from the largest one to a box.
