

1) READ THE TEXT AND ANSWER YES (✓) OR NO (X)

Hi, my name is Pablo. I am from Spain. I like very much going to the swimming pool. I always go in July and August. Then, when September starts, I go back to school and meet my friends and teachers. In winter, I like wearing warm clothes such as jumpers, scarfs and gloves. When winter ends, there comes the spring, my favourite season. I love smelling flowers and watching insects in the grass.
